"There will be a Fate in every Candle" - this is a phrase that will be repeated throughout the game. There is a supernatural twist to this phrase, and the player will need to find out what the real meaning of this phrase is. What did happen in the past? What are the stories that you will follow during your journey, and what will be the fate of every candle that you will find? FIND SOMEONE TO CANDLE WITH... There is a story of a mysterious manor that is being rebuilt in this game. A peculiar character called the Ox-Man is building this mansion. He was recently declared insane and is currently kept in a mental hospital. A doctor, Dr. McManus, becomes suspicious of Ox-Man's strange behaviour. Besides, Ox-Man has not paid his rent, and there was not a single person left in this manor until just a few months ago. It is

not the first time when people are visiting this manor and discovering some kind of a mystical element to it. But a mystery is never solved with just one element, and now Dr. McManus believes that there is a hidden mystery behind this strange mansion. What lies in its basement? Maybe Ox-Man did not build this mansion alone, and there is still another unknown element in the mansion that makes the doctor start asking questions about this place... THE SECRET OF THE MANOR There are several objects hidden in the game that are called the Sibyl's Censer. They will tell you about the place where they are hidden, and once you complete each object's task, they will tell you about a different fate that you will have to watch out for in the game. Each Sibyl's Censer will have a different placement on the photo of the item, and some will even replace the object. So, what is the fate that they will tell you about? Well, you will find out as the game progress. Try to be careful not to open a certain door until you will be sure that all necessary objects are in the right locations, or else you might spend some time to find out what has happened with the object you are trying to open. All you have to do is to think about where they should be and uncover the truth behind the mysterious fate of this place and of every candle. ALL THE COLORS OF THE WORLD The game is set in a beautiful Northern Europe. You can see the French Riv
