Zuckerberg to give testimony in House hearing on Facebook's role in Russia - okket ===== wjnc They're trying to roll the nuclear option out, the dissolution of the firm. Yeah, sure I'd

---

like to see them hand over all their internal protocols, valuation studies, past employee background checks, etc.

We'll get good insight into how facebook of today could affect the 2020 election. If they do end up rolling this, I'd expect a loss of confidence and an exodus of talent. Probably a good thing. ~~~ komali2 > If they do end up rolling this, I'd expect a loss of confidence and an > exodus of talent. I wonder if we'll ever hear from their ex-employees? ~~~ wjnc I'd assume yes, especially at the expense of being able to hire people in- house. Trophic interactions in trophic cascades and implications for the effects of nutrient enrichment. In marine ecosystems, nutrient enrichment can affect the structure and function of the benthic community through a trophic cascade. This includes the effects of macrophyte growth and algal production on diatoms which in turn affect herbivorous zooplankton, which in turn have direct effects on the abundance and

---

distribution of marine herbivorous invertebrates. There is now considerable evidence that
