### **Pazera Free WebM To AVI Converter With Key PC/Windows**

Pazera Free WebM to AVI Converter is a well-designed and feature-rich video conversion application that helps convert video files of the WebM format into other supported video formats, such as MPEG, FLV, AVI, MOV, MP4, 3GP, MKV and VOB. Features: It does not require a third-party installation, and it is capable of converting multiple files at the same time. There is no limitation on the number of files to convert as well, and Pazera Free WebM to AVI Converter has an unlimited batch size. The output files can be named as you want, and you can adjust the output resolution and frame rate, along with the audio track, audio codec, bit rate, sample rate and channel mode. It can also crop the area of the file. Furthermore, you may choose the output profile along with the resolution, image size, quality, frames per second, aspect ratio, top-bottom or left-right

---

orientation and so on. It has an extensive set of options that let you customize the video, audio and subtitle track, while you can modify the subtitles and audio settings, including the audio codec, bit rate, sample rate, channel mode and volume level or disable the audio stream. Pazera Free WebM to AVI Converter: So what are you waiting for? Start converting your WebM videos to AVI right away and enjoy the converted videos in all of your devices. Convert WebM videos into AVI or several other formats with our free Pazera WebM to AVI Converter now! Unregistered version As the free trial version, the Unregistered version is limited to converting one video file into one format. It is unable to convert more than one file at a time. The trial version only allows to convert video files of the WebM format into MP4 and 3GP/MPEG-4 file formats. The program can convert these WebM formats to the AVI format, but it does not support to convert these formats to other formats, such as FLV, MOV, MKV, VOB and so on. The trial version has many limitations and requires registration to convert more than one video at once. More features of the program Unlimited conversions and batch conversions Create AVI directly from WebM, 3GP, MKV, MOV, MP4, FLV, b7e8fdf5c8
